

# CLEVERTOUCH

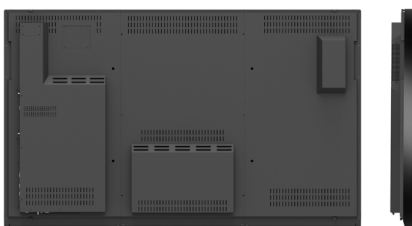

The business of touchscreen technology

Choose **Clevertouch Plus**, the large format interactive flat panel display with sizes from 42" to 84".

The latest touchscreen technology is integrated into the screen allowing multiple users and gesture control. An Android operating system providing business apps and tools for annotation, brainstorming, and collaborative document sharing is built-in. Full HD resolution and the high brightness anti glare display allow images to be clearly visible from all angles and in rooms with high light levels.

The 84" Clevertouch Plus is the first in the world to offer an integrated Android operating system and true 4K solution. It features 10 touch points and an optional true 4K Blade i7 PC.

**Integrated Android operating system** turns the Clevertouch Plus into a giant tablet. You no longer have to be connected to a PC to present, view documents, play videos or surf the web. The interface is familiar and intuitive, allowing total ease of use and negating the need for complicated manuals and training.

---

## Features

- Integrated Android operating system with 8GB hard drive
- Narrow bezel and modern design
- Front mounted USB ports for Android and PC
- One-touch energy saving mode
- Touch-control menu for on screen input selection
- Full HD 1080p resolution / 4K resolution with 84"

- Integrated speakers
- Freeze frame

## Blade PC

- Intel® Core™ i5  
*(optional with 42"-70")*
- 500G SATA HDD
- 4G DDR RAM
- Integrated Intel® HD Graphics

- Intel® Core™ i7  
*(optional with the 84")*
- 1T SATA HDD
- 8G DDR RAM
- Independent Graphics

## PC features

- Intel H61 Express Chipset
- Integrated high definition audio stereo soundcard
- Bluetooth 4.0
- Windows 8
- Includes wireless keyboard & mouse

## Warranty

Every Clevertouch Plus comes with a 5 year on-site de-install / re-install warranty\* giving you three years peace of mind.

Our UK based service centre is always just a phone call away, and our dedicated CleverSupport website is full of tutorial videos and commonly asked questions and answers.

On the rare occasion that we cannot repair a screen on-site there is no need to worry about downtime because we will leave a loan screen with you whilst we repair yours.

\* UK mainland

Clevertouch Plus comes with two easy-grip pens, which are held onto the screen bezel magnetically.

Connectivity includes HDMI, VGA, RS232 and USB.

With USB ports and key function buttons on the front of the screen it is easy for anyone to enter the room and present. Simply switch on and go with the ability to access files in either Android or PC mode.

# Software

Every Clevertouch Plus comes with  
DisplayNote and Snowflake Business

## Snowflake\*

**Snowflake Business** is a comprehensive selection of multi touch business tools. Share information and collaborate in meetings. Present your company image clearly, in engaging environments. Easy to use and customisable with your own branded content.

### Twitter

Keep visitors of your reception lobby or exhibition booth, up to date with your latest news

### Video Draw

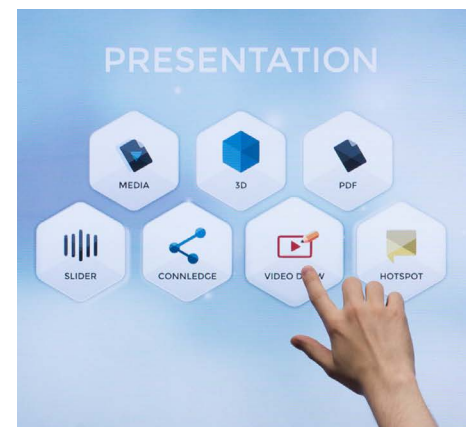

Annotate on top of videos to highlight points of interest in corporate presentation and training videos

### Maps

Explore any area in the world, using natural and intuitive zooming and panning gestures

### 3D

View, interact with and present 3D models of your own products, in various corporate scenarios

For more information and a full list of features, go to: [www.nuiteq.com](http://www.nuiteq.com)

**DisplayNote** transforms presentations for presenters and participants. Use it to present wirelessly with an iPad or Android tablet and mirror your screen to every participant's device. Attendees can view and capture your slides on their device and collaborate with each other in real-time.

---

#### **Screen Mirroring**

Stream from your PC or Mac to multiple devices either wirelessly or remotely

---

#### **Real-time collaboration**

Let your audience collaborate in real-time, contribute to your presentation and share ideas

---

#### **Wireless presenting**

Use a mobile device as a handheld whiteboard to control your PC or Mac, present and share wirelessly

---

#### **Presentation capture**

Anyone in your meeting can capture your presentation on their device and add presentation notes

---

Every Clevertouch Plus includes 10 perpetual DisplayNote connections and 1 year free cloud subscription. Multi connection licences are also available.
